

Ballistic Window

The ArmoredCloset Acrylic Window (1.25" thick) is bullet resistant for 9mm and 45 Caliber handguns.

Ballistics Window

Gives you a view of the outside with the protection of the bullet resistant acrylic window that is 1.25 inches thick. Tested against 9mm and 45 caliber bullets shot at close range. These handguns only scratch the surface of the powerful acrylic window. A beautiful feature for every ArmoredCloset.
